## **Butterfield Road Improvements in Oakbrook Terrace, Elmhurst**

**CHICAGO** – The Illinois Department of Transportation announced that a resurfacing project on Illinois 56 (Butterfield Road) in Oakbrook Terrace and Elmhurst will begin, weather permitting, Wednesday, Aug. 9.

The project consists of resurfacing Illinois 56 from just west of Illinois 83 (Kingery Highway) to Cadwell Avenue/High Street, in addition to new sidewalk ramps to improve pedestrian accessibility. In order to complete the work, lane closures will be necessary in both directions during the daytime hours and occasionally overnight and on the weekends.

The estimated completion date is mid-November.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
